MERIDIAN

WOMEN'S HEALTH

Obstetrics and Gynecology

Quality women's healthcare should address each stage of life. Because each woman is unlike any other, the care received should be personalized as well as comprehensive. At Meridian Women's Health we believe in this philosophy and have a long history of compassionate, high quality care.

As a division of Meridian Health Services, Meridian Women's Health offers patients a true medical home by providing connections to additional health services. Services like primary medical care, behavioral health and social services are components of Meridian's integrated healthcare approach. Our patients now have access to a broader spectrum of care for "whole person" health.

Meridian Women's Health is a unique medical facility where women receive the care and treatment they need in an environment designed for their maximum comfort and security. Comfort, care and kindness are important parts of individualized care for each patient.

Patients are provided state-of-the-art medical treatment in a compassionate and comfortable atmosphere at our office located near IU Health Ball Memorial Hospital.

Our physicians are board certified and provide specialty care and the latest technology in Obstetrics and Gynecology. Our practice of female physicians offer a "Women Caring for Women" philosophy. You can be assured our team of professionals make every effort to exceed your expectations for comfort, quality care and kindness. We believe in individualized care with all treatment being tailored to the particular wants and needs of each patient.

We accept most insurance including Medicaid and Medicare. We also offer a sliding fee scale for those who qualify, to help assure anyone in need of care can receive it.
